

Dear Family and friends,

As you may know, I am involved with a charity called St Kilda Mums.

St Kilda Mums collects, repairs and recycles pre-loved nursery equipment such as prams, cots, high chairs, clothes, toys and books.

Through local welfare organisations such as Uniting Care and the Sacred Heart Mission these items are then donated to families in need.

St Kilda Mums is run solely by volunteers and operates from volunteers' homes. There are no paid staff and no overheads.

Here's what Ms Emma Crichton, CEO of St Kilda Youth Service, has to say about St Kilda Mums:

“We have so many young people who have become parents and they have no resources St Kilda Mums provide an essential community service in helping us meet the needs of these young people. It's not every day that such a group of good hearted people emerge to benefit the lives of those less fortunate than themselves....we hope to continue working with St Kilda Mums for many years to come.”

But we need **your** help. We need funds to cover the basics - insurance, paint, cleaning products. So in the spirit of recycling, we'd like you to help us by purchasing a KeepCup.

KeepCup is the world's first barista standard reusable cup - lightweight, dishwasher safe, microwaveable, stackable and splashproof. Using a KeepCup destroys fewer trees and reduce landfill, CO2 emissions and energy output.

If you buy a KeepCup online and enter the promotional code **SKM3182**, St Kilda Mums gets a percentage of the sale price. So we get to keep recycling, while you get to drink your coffee from an environmentally-friendly cup. It's a win-win!

If you can help us, please go to keepcup.com.au before July 31 and don't forget the special code - **SKM3182**.

If you'd just like to make a donation without purchasing a KeepCup, please email stkildamums@gmail.com for details.

We'll let you know how we go. Thanks in advance for your support.
